

What is OSCAR?

Why you need an OSCAR Account?

- Workers Comp is going digital – in an effort to reduce paper waste, expedite workflows, and improve transparency, all work with the division will be done online via the OSCAR system
- All paper forms and judicial filings that you've previously submitted via mail to the division will be available to submit online
- You will have immediate access to track your submissions, cases, and outcomes via OSCAR

Who needs an OSCAR Account?

- *Attorneys* – if you represent claimants, employers, or insurers on work comp cases within Kansas you will be **required** to have an OSCAR account to submit all your judicial filings
- *Employers* – individuals responsible for submitting elections, records requests, self-insurance information, in addition to users who wish to view active case information related to their employer should register for OSCAR
- *Insurers* – individuals responsible for submitting annual paid loss reports, records requests, and payments to the division, in addition to users who wish to view active case information related to their covered employers should register for OSCAR
- *Claim Admins / TPA's* – individuals responsible for checking the statuses of submitted claims and who wish to view active case information related to these claims should register for OSCAR
